

a map of the Windswept Cranberry Bog

NOTES TO VISITORS

Parking: Because of the narrowness of dikes and the abundance of water-filled ditches on this Foundation property, all visitors are required to park their vehicles in the area provided immediately off the Polpis Road. All Bog roads are open to walkers and bicyclists only.

Abutting Properties: We have good neighbors and want very much to be good neighbors. Please make a special effort to respect private property rights, whether or not they are posted. Thank you!
